The RTOC Agenda is coming together. The call today was productive.

There are two items which OWP has lead fo:r

Dewey and

Discussions about the tribal drinking water set aside program.

HQ OW will be presenting basics about what is going on with the waters of US issue (yes, we know the public comment period ends the week of the RTOC).

Your presentations can be handled over the phone.

I will be back in touch in the next couple of weeks.

Let me know if you need anything.
